

Phuzion™ PHZ LED

More Features, Better Performance, Lower Price!

The Phuzion™ PHZ LED high bay with exceptional performance and reliability is now unparalleled with additional features, better performance and at a lower price!

The latest upgrades include:

- + Two new lumen packages: 50L and 60L!
- + 15% increase in energy efficiency, improving lumens per watt up to 160 LPW!
- + Xpoint™ Wireless for 347/480V up to 24L
- + DLC Premium qualified on every lumen package (available March)
- + Lowered pricing to meet market demand

Additionally, more upgrades to PHZ are on the way! With features like the smooth exterior narrow lens, Bluetooth-enabled integrated sensor, integral battery pack up to 24L, and higher ambient for the RPHZ. Be sure to stay connected because you won't want to miss these.
